

Employment Policy

Balon is committed to being an organisation which the best people aspire to work for.

We employ people based on merit irrespective of race, gender, age or religious beliefs.

Our people will display the qualities of integrity, professionalism, honesty and respect for others.

It is our intention that working for Balon should be a rewarding experience financially, professionally and personally. We actively encourage our people to undertake development activities to enhance their skills and knowledge and to ensure theirs and the company's future prosperity.
