

Health, Safety & Environment Policy

Balon's policy is to ensure a safe and healthy workplace for our employees, contractors and visitors.

We are committed to providing a work environment that is free from discrimination, harassment, bullying, vilification and victimisation.

We take measures to control or prevent hazards in the workplace by integrating our risk management system into everything we do. Any incident will be fully investigated and the outcomes used to minimise any effects and prevent a recurrence.

We are committed to protecting and sustaining the environment by adopting safe and eco friendly work practices.
